This table contains an unduplicated count.

\*The row "Traditional Metric Graduates" includes only first-time, full-time, four year degree seeking students.

\*\* Degree Seekers who fit both "Goal Not Met" categories are counted in No Return.

To be counted under "Learning Goal Progress": Students must make at least minimal progress as defined below. Non-Degree Seekers have made between minimal and moderate progress. Degree Seekers have made at least minimal, and up to Progress with Distinction, if they have not earned an award qualifying them for "Goal Met."

Students' Goal status is determined by a combination of award completion and Learning Progress level.

Learning Progress levels are determined by the percentage of courses taken with passing grades.

**Undergraduates**

Substantial to Distinction: 75-100%

Moderate to Substantial: 50-74%

Minimal to Moderate: 25-49%

No Progress to Minimal: 0-24%

**Graduates**

Substantial to Distinction: 90-100%

Moderate to Substantial: 80-89%

Minimal to Moderate: 70-79%

No Progress to Minimal: 0-69%
